

ENVIRONMENTAL POLICY STATEMENT

Our Business

PGCS Partnership are Structural and Civil Engineering Consultants, who provide clients with design solutions that combine modern concepts with traditional practices. Structural expertise is held in the following business sectors – Residential, Industrial and Commercial, Retail and Business Parks, Sports, Leisure and Hotel Facilities, Hospital and Health Care, Office Accommodation, Schools and Universities, Government and Military buildings and Bridges and Transport Structures.

Our Goal

We recognise that our operations have an effect on the local, regional, national and global environment. As a consequence of this, PGCS Partnership is committed to improving and where possible enhancing our environmental performance. PGCS have developed and maintained a combined management system that is registered to [ISO 9001](#), ISO 14001 and [OHSAS 18001](#). PGCS management have developed three separate policies for Quality, Health and Safety and Environment as part of the combined management system. These policies provide the framework for setting objectives and are considered an essential part of our business. The objectives are set by senior management and shall be reviewed at the annual management review meeting. This policy shall be maintained as documented information and made available to interested parties upon request.

Our Environmental Policy

We shall:

- Prevent the incidence of pollution whenever possible
- Comply with all relevant environmental legislation and other requirements to which the company subscribes
- Reduce the amount of energy we use through good management, training and informed purchasing practices and decisions
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where possible

Our Environmental Action Plan

To achieve our policy, we shall –

- Implement an environmental management system in accordance with ISO 14001
- Communicate this policy throughout the company
- Set clearly defined objectives and targets addressing environmental issues that are designed to improve our environmental performance
- Promote our environmental activities with our staff, partners and other stakeholders and let them know of our concern for the environment
- Train, educate and inform our employees about environmental issues that may affect their work
- Provide support and advice to staff, suppliers and other stakeholders on environmental matters relating to our operations and ensure that all staff and subcontractors are made aware of this policy and associated procedures concerning our impact on the environment and;
- Monitor, audit and review our performance

This is the policy of PGCS Partnership on 05th January 2018, as agreed by:

**Robert Syms
Managing Director
PGCS Partnership**
